

January 21, 2020 - idcl libraries in C:\ProgramData\Autodesk\Inventor 2013\Content Center\Libraries ". As explained earlier, copying the contents of "Favorites" to . csv file is the easiest way to export from a library. To export a library from the Favorites list, you need to open the library in Autodesk Inventor, select the Libraries tab, then Library and Save Library, select the CSV format. Export will be from "C:\ProgramData\Autodesk\Inventor 2013\Content Center\Libraries\Bibliotheca\" folder. Next, Microsoft Excel will open and display a page listing the selected libraries.
